CAUSE

Ms. Henderson is currently under the jurisdiction of the Bureau of Prisons and is scheduled to complete her custodial sentence on April 29, 2021, and will reside in Las Vegas, Nevada, for the remainder of her 36-month term of supervised release.

Currently, she is without a viable release address and does not have the financial resources to secure independent living at this time. Therefore, it is recommended her conditions be modified to include placement at our local residential re-entry center for a period up to 120 days. It is with hope such a placement will afford her the opportunity to establish gainful employment to provide her with the financial means to secure a viable residence. Ms. Henderson has no objection to this modification as witnessed by her signature on the attached Waiver of Hearing. The U.S. Probation Officer would also respectfully request the subsistence be waived in order for the offender to secure herself financially at a faster rate.
